LOS ALAMITOS | a place for all time

A Seat at the Table

Calling all teens and young adults!

Join Rancho Los Alamitos' college interns for a virtual roundtable exploring women's history and civic engagement. We'll explore women's stories from our archives that connect to civic action, work & labor, education, and diversity & segregation. Pull up a chair and take a seat at our virtual table to discuss how history resonates in the present and how we can work together to build a better world.
